The American Farmer Must Feed The World

Do you realize that the farmer is about the only man in this entire world that will benefit by the war in Europe? That beef has gone up? That pork has gone up? That wheat has gone up? That corn has gone up. That everything he grows has gone up? There are waiting nations for all he can produce. Your German, French and Russian farmer is carrying a bayonet now.

Luke McLuke Says

The lad who couldn't tell you the name of the Vice President is the same fellow who can tell you how to run the Government. The old fashioned 17-year old girl who used to read books on "What A Young Girl Ought To Know" has a 17 year-old daughter who puts her mother wise.

The Willow Girl cops out the covers of the magazines. But the girl with the wide curves and the dimples in her anatomy attracts all the attention on the street.

What has become of the old-fashioned man who used to wear a new paper collar every Sunday?

Before you get her she can say things with her eyes that make you feel funny all over. And after you get her she can say things with her mouth that make you feel funny all over.

Since the vacuum cleaner displaced the broom a man can't find a blame thing but his wife's hairpins to clean his pipe with. In the Game of Love you can always take a Heart if will lead a Diamond.

One half the world may not know how the other half lives. But it isn't the female half.

If imagine that women haven't a Sense of Humor just take a look at the hats they are wearing

Any woman who has a 40-inch waist can tell you that the waist of Perfectly Formed Woman should measure forty inches. A lake of fire and brimstone isn't the only Hell ever invented.

There is the case of the man who has a \$50 wife and \$15 salary.

When a woman's hips are so big around that she has to go through a door sideways she gets a lot of comfort out of the fact that she is broad minded.

You may have noticed that some-

how or other a cross-eyed girl with a mustache never gets mixed up in any Platonic Love Affairs and that she is never the goat in any Affinity case.

How to Cure a La Grippe Cough

"Coughs that hang on" demand treatment. Stop and think! Reason and common sense tell you that it is folly to "grin and bear it." Those racking la grippe coughs that wrench the body and cause soreness and pain in the lungs yield more quickly to Foley's Honey and Tar than to any other treatment. Forty years' record of successes prove this. For coughs, colds, croup and other distressing ailments of throat, chest, lungs, larynx and bronchial tubes, can find nothing that will compare with this reliable remedy. City Drug Store.

Keeping in Good Condition

Many people suffer from indigestion and constipation and do not know it. A feeling of dullness and languidness, bitter taste in the mouth, headache, bilious fever—most of those conditions when you "are not sick, but don't feel right"—can be traced to sluggish bowels and torpid liver. Foley Cathartic Tablets cleanse the system, arouse the liver, banish indigestion and make you "feel good all over"—light, energetic and ambitious. Sold by City Drug Store
